CIRCULAR COMMUNITIES SCOTLAND

BE PART OF SCOTLAND'S CIRCULAR ECONOMY NETWORK

www.circularcommunities.scot

Our vision is for a thriving circular economy in Scotland where local communities reap the social, environmental, and economic benefits.

If you share this vision, let us work together to deliver a circular economy in Scotland.

Becoming a member of Circular Communities Scotland, will give your organisation a voice, as well as access to all these benefits. →

for all organisations with less than £100k income per year.

JOIN US TO...

DEVELOP

Get support for your organisation and connect with the great work happening across Scotland.

- Development support by phone, email or video conference
- Support visits to your project
- Member to member questions and peer to peer support
- Introductions to other stakeholders and influencers

COMMUNICATE

Build your organisation's profile and stay up to date.

- Annual membership pack (including certificate, sticker, digital profile)
- Your organisation will be searchable in our online 'Members Map'
- We will share your social media posts and news in our e-newsletter on request
- Exclusive member-only funding and policy updates

CONNECT & LEARN

Come to a great range of events throughout the year designed to help you connect with others and stay informed.

- Free access to our regional forums and technical seminars
- Discounted member-only prices at our annual conference
- Webinar events to support remote members
- Access to other network and selected partner events (discounted or free)

GROW

Get access to resources to help grow your organisation and deliver on your vision.

- We share reuse donation opportunities exclusively with our members
- Donations directly from the public via our new website
- Exclusive access to the Community Learning Exchange Programme
- Exclusive access to the Accelerator Funding Programme and the Pockets & Prospects Micro-Fund
- Opportunity to trade with your local authority via our Reuse Consortium

HAVE A VOICE

As your membership body we will represent you and advocate on your behalf at a local, national and international level.

- Access to our membership survey, infographic and impact report which highlights the work of the sector
- Support to build partnerships with local authorities across Scotland
- Represent the sector with Scottish Government, actively contributing to policy development
- Advocacy at EU level via our membership of the RREUSE network
