

Funding, Finance & Business Support Seminar

This popular annual Funding Seminar will provide Circular Communities Scotland members with an opportunity to hear from, and put questions to, funders and providers of financial and project support for third sector organisations. It will enable charities and projects to collect a range of information about possible sources of grant and loan funding and general business support. In addition hear first-hand from one of our members about their experience of applying for funding and some of the successes their charity has had.

Wednesday 8 June 2022, 9.45am – 12.45pm
Digital Event via Zoom Webinar
