13.50 – 14.40 **Breakout Session 1**
Attend ONE of the following 4 sessions

A: Teaching Practical Clothing Repair.
Led by Repair What You Wear. A practical hands-on session about how to teach core hand-sewing and repair skills.

B: Developing Great People for Great Projects.
Sharing experiences of recruiting, developing and supporting a team of unwaged staff, through volunteer

programmes, work experience projects and other schemes. With contribution from ReBOOT in Forres.

C: What to Charge and When to Charge.

How do you decide what to charge for the services your project provides? A focused workshop with examples of different approaches by network members. With contributions from The Edinburgh Remakery, Wellbeing Works Dundee and Community Enterprise

D: Making the Most of MyTurn Software

A practical session for both new and experienced users of MyTurn on how to maximise the potential of the software - led by Edinburgh Tool Library
