

## Members Policy Forum - The Waste Route Map Consultation

Tuesday 27 February 2024, 10.00am – 11.15am  
Digital Event via Zoom

An opportunity for our members and stakeholders to join us for a presentation and discussion around the Scottish Government's [Waste Route Map](#). The measures in the Route Map are grouped under the four strategic aims of Reduce & Reuse, Modernise Recycling, Decarbonise Disposal and Strengthen the Circular Economy.

The Route Map is [open for public consultation](#) until 15<sup>th</sup> March 2024 and our policy forum aims to help our members frame their own responses to the consultation.
